One of our most popular camps! Does your child like to sing popular tunes around the house from the top of his or her lungs? Pop Diva Camp may be the way to go this summer! Since your child already has the singing down, let's teach her how to add the moves to make it a performance number like the music stars! We will feature artists like Katy Perry, Ariana Grande and Taylor Swift. Campers will also make diva accessories during camp to wear during their special performances.

Dancers will develop their ballet vocabulary and movement in an imaginative and creative atmosphere.
