PVDC CO & CREW INFO

What is Dance Company & Hip Hop Crew? What is the Intensive?

Our competitive Company & Crew teams offer well-rounded, technique-based training in a variety of levels, styles, and genres for dancers of all ages. Dancers gain opportunities to learn, perform, and compete award-winning choreography by our talented choreographers. Students must audition every year and fulfill requirements such as classes, performances, and summer intensives.

At the intensive, invited dancers spend the week training and learning from PVDC instructors and guest teachers. This week kicks off the beginning of the season, so it is required to attend. Please register online in advance for auditions only. Once invited to the intensive, you may then register.
